

2024

Nedbank Desert Dash *Registration*

Step 1: Visit the Registration Portal

Visit the new Desert Dash Portal found via the desert dash website at desertdashnamibia.com

Select the entry type you want to register for and click the Registration button

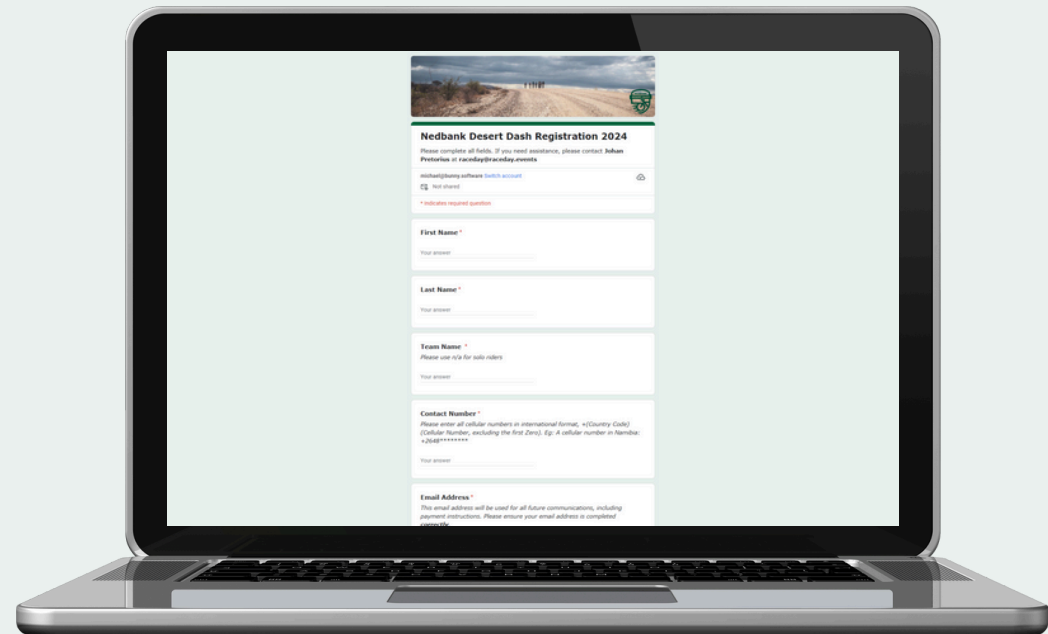

Step 2: Complete the Registration Form

Complete the Registration form

Please remember to use the correct details, and pay special attention to your email address

This address will be used for all future correspondence

Step 3: Check Your Email

Please check your email after submitting your registration form

Your email will include payment instructions as well as your unique Entry Reference Number

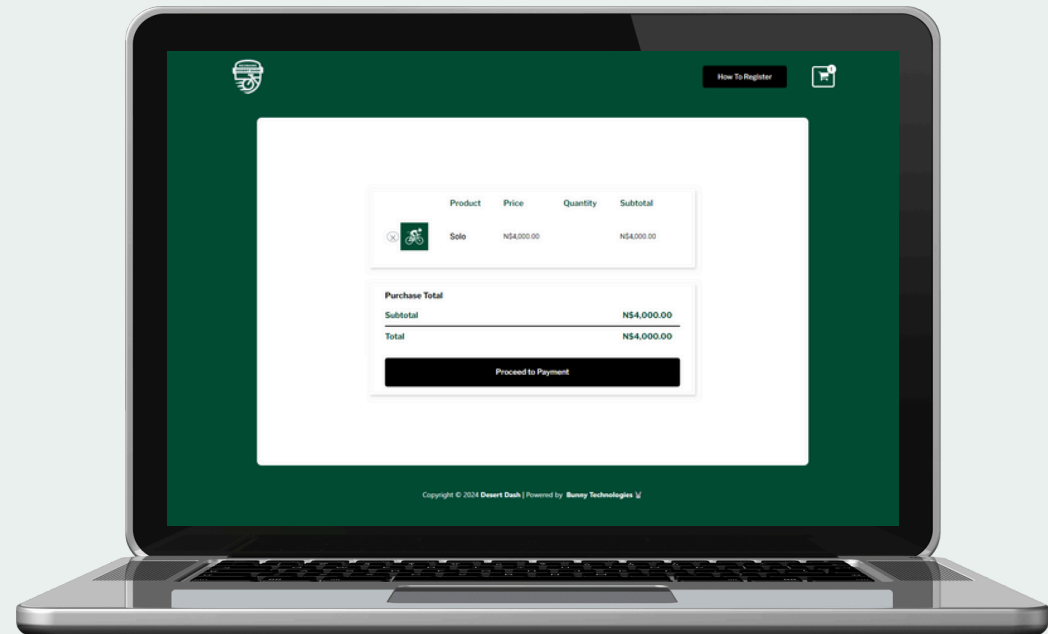

Please remember to use your Entry Reference Number in all future correspondence with us

Step 4: Make Your Payment

Complete your payment by visiting the link sent in the registration email, and following the payment process

We offer Electronic Funds Transfer (EFT) as well as Credit/Debit card payment options

Step 5: Complete Your Rider Details

Upon successful payment confirmation, you will receive a email with a link to the Rider Details Form

Please complete the form in full for all riders to finalise your registration

The image shows a laptop screen displaying a registration form titled "Solo Rider Details". The form includes a header image of a dirt road, a contact person (Johan Pretorius), and several required input fields: "Entry Reference Number", "Email Used on Registration", and "Team Name".

Solo Rider Details
Please complete all fields. If you need assistance, please contact **Johan Pretorius** at raceday@raceday.events
